Dr. Richelle Hoekstra-Anderson and Crossroads Renewal Coaching and Counseling

Richelle has been a clinical psychologist in central Wisconsin for over 25 years and enjoys coming along-side people and using her skills in coaching and counseling to help them take intentional steps in healing past pain, working through current challenges, and creating a life they will love to live. Her passion lies in encouraging and inspiring others to grow through life's challenges and I love to speak to groups of all sizes. Her rich and varied career experience includes private practice, community mental health, college instructing, career counseling, and student advising

What is the significance of the name Crossroads Renewal?

In June 2013 while reading the book "Praying for Purpose" by Katie Brazelton I came across a scripture, Jeremiah 6:16: This is what the Lord says, "Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your souls." At that moment I received a mental picture of Crossroads Counseling and Coaching and knew that it would be the name of my future business. I've always been passionate about helping people navigate through life's crossroads and knew that the scripture was significant. Three years later in May 2016 I was re-reading the same book and came across another scripture in the very next chapter, Romans 12:2:

Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is--his good, pleasing and perfect will. At the core of healing and growth is the renewal of our thoughts to make them in alignment with truth. My life's purpose is to help renew people who are at a crossroads in their lives. Thus, the name Crossroads Renewal!

Creating Life by Design

There are two signals of growth; longing and discernment. "We are often pushed by pain, but pulled by a vision." Richelle is a certified Dream Builder Coach. Our thoughts drive our feelings, our feelings drive our actions, and our actions produce our results. Richelle led us through an exercise of dreaming where we could be in several years. Today is the day to take bold action to make that dream a reality.

Rotary 4-Way Test. Of the things we think, say or do:

1. *Is it the truth?*
2. *Is it fair to all concerned?*
3. *Will it build good will and better friendships?*
4. *Will it be beneficial to all concerned?*
